

MEET OUR RADIOLOGISTS

We understand that the quality of our services is only as high as the quality of our physicians. That's why Shady Grove Breast Center employs the most-seasoned, most-respected radiologists in the area.

The Physicians of Shady Grove Breast Center

SONYA KELLA, MD
Medical Director
& Breast Radiologist

As a prominent breast specialist, Dr. Kella joined Shady Grove Radiology in October 2011. She came to us from the prestigious

Georgetown Lombardi Comprehensive Cancer Center, part of Georgetown University Hospital in Washington, D.C.

She was assistant professor of diagnostic radiology at Georgetown University Hospital. She also served as attending radiologist at William Beaumont Hospital in Royal Oak, Michigan.

Dr. Kella completed her residency in diagnostic radiology and her fellowship in combined breast and body imaging from William Beaumont Hospital. She received her medical degree from the University of Pennsylvania School of Medicine. Dr. Kella is board certified in radiology.

W. BARRY BASEN, MD
Dr. Basen completed his residency and fellowship at Johns Hopkins University Hospital in Baltimore, Maryland. Dr. Basen is board certified in

diagnostic radiology and specializes in interventional radiology. He has been on staff at Shady Grove Radiology since 1979.

BRUCE J. BORTNICK, MD, FACR

After finishing his residency as chief resident at George Washington University Medical Center, Dr. Bortnick completed

a fellowship in interventional radiology and ultrasound. Dr. Bortnick is board certified in radiology. He joined the staff of Shady Grove Radiology in 1984.

RENU BERRY, MD

Dr. Berry finished her residency in diagnostic radiology at Howard University in Washington, D.C., where she served as chief resident. She

completed a fellowship in abdominal imaging at Georgetown University Hospital. She also completed a residency in obstetrics and gynecology, as well as an internship in transitional medicine. Dr. Berry is board certified in radiology. She joined Shady Grove Radiology in 2003.

VELMA E. CASANOVA, MD

Dr. Casanova completed her internship and residency at Johns Hopkins University Hospital in Baltimore, Maryland. She later worked as an

assistant professor at several teaching hospitals. Dr. Casanova is board certified in diagnostic radiology. She joined the staff of Shady Grove Radiology in 1986.

ZAHIDE ERKMEN, MD
Dr. Erkmen finished her residency as chief resident at the University of Connecticut in Farmington. She completed her fellowship

in vascular and interventional radiology at George Washington University Hospital in Washington, D.C. Dr. Erkman is board certified in diagnostic radiology and interventional radiology. She has been with Shady Grove Radiology since 1999.

JEFFREY I. RICH, MD
After completing his residency as chief resident at Boston City Hospital and his fellowship at Georgetown University

Hospital, Dr. Rich was an assistant professor at George Washington University Medical Center in Washington, D.C. He is board certified in radiology. Dr. Rich joined Shady Grove Radiology in 1982.

DAVID J. ROTHFELD, MD
Dr. Rothfeld finished his residency in diagnostic radiology at St. Louis University Medical Center in St. Louis, Missouri, where he

served as chief resident. He is board certified in radiology. Dr. Rothfeld joined Shady Grove Radiology in 2002. He earned his Master's of Business Administration degree from George Washington University in 2009.
