# THE TRADEMARK PROMISE

What are your thoughts as you bid on a vehicle at auction?

Are you:

- Worried that the car won't live up to the seller's claims?
- Concerned that you'll get stuck with a lemon if something goes wrong later?
- Uneasy about buying a car at a different auction than you usually visit?

Those fears become a thing of the past when you buy from Trademark by Triad™. Behind the brand, you'll find a first-rate management team known for creating certification programs that live up to their promises.

We've studied the industry long and hard. We learned what works, what doesn't and what we can do to better meet your needs. Now we invite you to experience the fruits of our labor – a standout remarketing program with:

- Full and honest disclosure on all vehicles
- Fair arbitration guidelines to resolve issues after the sale
- Consistent quality, no matter which auction you attend
- And, of course, a vehicle for every buyer

That's a trustworthy combination you can't find anywhere else. In short, it's our trademark.
