

This month we are launching our Referral Card Program

Pick up referral cards on your next visit and give them to anyone who needs to have their ego spoiled. After (2) referrals, Michelle Patrick Salons will give you a FREE CUT! Pick up cards in the salon for more details.

Prepare to make your friends jealous.

You're sharp. You're fearless. You're brazenly authentic. There's nobody in this world quite like you... So why would you want to wear someone else's hair? It's time to ditch that cookie-cutter coif. You deserve a style all your own.

We'll take you from dull to dynamite.

At Michelle Patrick Salons in Dallas, we spoil your alter-ego. You know who we're talking about - the other side of you that's just itching to emerge. Conservative? Edgy? Somewhere in between? You make the call. And we'll create a look that's as original as you are.

The birthplace of your dream haircut.

All cuts include a complementary shampoo and conditioning treatment in our Lather Lounge. Spa music. Head Massages. Oil treatments...this is no ordinary shampooing. Oh, and one more thing... We think diversity is breathtaking. That's why we welcome all textures of hair.
